

Have You Done Your Year-End Spring Cleaning?

SHARING KINDNESS THROUGH PASS-IT-ON

Join in the Spirit of Giving by Donating Your Items to Those In-Need

Found something that you haven't used in a long time during your spring cleaning?
Something you don't need could change the lives of another family.

Our **Pass-It-On (PIO)** programme facilitates the donation of pre-loved household items to beneficiaries in need, conveniently through an online portal.

Movers from The Helping Hand assist with the transportation of donated items to the beneficiaries' homes

I used to put my pre-loved items into the recycling bins. After finding out about Pass-It-On, I realised that I can directly donate these items to the families who need them instead.

Mr Lim Chew Loong (Donor)

My washing machine broke down and I had to wash my clothes by hand for more than a month. It was really tiring, on top of work and caring for my children. Thank you to my generous donor and Pass-It-On for the washing machine. This means so much to my family ♥

Ms Mir Eliana (Beneficiary)

Scan the QR code to visit www.passiton.org.sg and see how you can contribute! Social Service Agencies are also welcomed to sign up and receive items for your beneficiaries.
